Cuprija College of Health Studies
Serbia

Confirmation

I hereby confirm that the Physiotherapy Program, Sør-Trøndelag University College (Høgskolen i Sør-Trøndelag) in Trondheim in Norway gave entrance to a student from Serbia. The student is now in his 1. year of study (he was starting his studies in the Fall 2011), and will take a bachelor degree after three years of study.

The student was taken up as a student in cooperation with Cuprija College of Health Studies, and is participating in the Quota Program. The cooperation with Cuprija College of Health Studies is based on a bilateral agreement.

Your sincerely,

Vigdis Kristiansen
Senior adviser

Faculty of Health Education and Social Work
Sør-Trøndelag University College
